a. Council Elections

City Recorder handed out applications for Mayor and two Council Seats. The applications need to be turned in by August 5, 2022

b. ODOT Small Cities Grant-Pendleton Avenue

Dave Wildman of Anderson-Perry walked Pendleton Avenue prior to the meeting with Mayor Barber and Lani and Gary Bass (property owners on Pendleton Avenue) to discuss options to correct the water flow during rain and assure that access will still be available to the property owners. The proposal for the ODOT Small Cities Allocation with the information gathered will be available at the August 2nd meeting.

c. League of Oregon Cities Ballots

Ballots for priority projects have been sent to LOC.

d. Ron Prebe (Requested to be placed on Agenda)

Mr. Prebe is concerned the fire truck was driven to the fire outside the City limits by someone that may not have a valid Oregon Driver's License. He suggests that the City should have a policy in place that states anyone driving a city vehicle must have a valid Oregon driver's license.

Consensus of the Council to establish a policy that anyone driving a City vehicle, including the fire trucks, the dump truck and ambulance since it is insured by the City, have a valid Oregon driver's license and not be on alcohol or drugs.
