Public: Robert Johnson, Cassie Wagner, John Wagner, Rebecca Huntington, Brett and Charlyn Mueller

Flag Salute

REGULAR MEETING

Motion made by Linda Kerr second by Bob Gasser to approve the September Bills. Unanimous Approval

Motion made by Tommy Mentzer second by Bob Gasser to approve the September Minutes. Unanimous Approval

PUBLIC COMMENTS

- Brett Mueller updated everyone on the progress made on the radio site for public safety communications. Installed an antenna on the roof of the Fire hall. The antenna can communicate with Black Mountain. The next steps are preparing and submit a Request for Proposal for construction for a foundation on the site. The radio equipment is ordered and will be installed inside the new building. There will be a back-up generator and a 4-sided fence installed.
- Rebeca Huntington wanted the council to know that there is flooding on Despain and View Street in the spring. It appears that a culvert needs to be installed.
- Robert Johnson will be cooking a dinner at the City Park on September 30th to honor the First Responders, (Fire fighters & State and Federal) and citizens of Ukiah. He will have a list at Rhodes Store if you would like to donate.
- Bob Gasser received a report that the Flag Pole in the City Park and Cemetery needs to have a solar light as the flag is 24/7.

Donna Neumann Report:

- Starlink was purchased and installed by Doug and Janet Walgren
- Prior to installation of StarLink, Internet was not available from August 1 – August 10.
- The city received the last half of the American Recovery Plan dollars.

Maintenance Report:

Ed Shank/Clint Barber Report:

- Fiber optic equipment is on site. Windwave's Kevin Stevens offered to dig the waterline that will be going north from the city limits to the new Rodeo site. We will need gravel from the State highway and the city will need to hire to assist with the installation.

- Water meters were read.
- Advise the Ayars Trust (Rod Parker) a meter needs to be installed at 207 Hill Street.
- Wayne Gilliland's RV Lots need meters installed on each of the lots on Pine Street.
